The rest of the stories are on par with other 5-minute books; the art is good with many designs being from the MCU. And the stories are basic, but entertaining for kids. Overall, the new stories still make it worth it, but it's a bummer that they decided to reprint stories from other books instead of making new ones, especially since one of those was Black Panther after the popularity of the ...

The DC 5 minute storybook, by contrast, includes a bunch of creative (albeit silly) stories where the heroes use their brains to beat the bad guys. There's very little violence. Violence has a place in stories, but I'd prefer to keep it out of stories for young kids who aren't quite mature enough to make good decisions about when to emulate their favorite super heroes.
