Summary Life is tough and cheerless for Billy Casper, a troubled teenager growing up in the small Yorkshire mining town of Barnsley. Treated as a failure at school, and unhappy at home, Billy discovers a new passion in life when he finds Kes, a kestrel hawk.

Life is tough and cheerless for Billy Casper, a disillusioned teenager growing up in a small Yorkshire mining town. Violence is commonplace and he is frequently cold and hungry. Yet he is determined to be a survivor and when he finds Kes, a kestrel hawk he discovers a passion in life. Billy identifies with her proud silence and she inspired in him the trust and love that nothing else can. Intense and raw and bitingly honest, A KETREL FOR A KNAVE was first published in 1968 and was also madeinto a highly acclaimed film, "Kes", directed by Ken Loach.

Penguin Decades bring you the novels that helped shape modern Britain. When they were published, some were bestsellers, some were considered scandalous, and others were simply misunderstood. All represent their time and helped define their generation, while today each is considered a landmark work of storytelling. Barry Hines's A Kestrel for a Knave was published in 1968, and was made into one of the key British films of the sixties. Billy Casper is beaten by his drunken brother, ignored by his mother and failing at school. He seems destined for a hard, miserable life down the pits, but for a brief time, he finds one pleasure in life: a wild kestrel that he has raised and tamed himself.

This is the story of the remarkable relationship between Billy, a friendless boy living in a soulless northern town, and the equally destructive, fierce kestrel, Kes, which he raises from the nest.

The classic book that inspired Kes, the famous film, now published as a Penguin Essential for the first time. Barry Hines's A Kestrel for a Knave was published in 1968, and was made into one of the key British films of the sixties. Billy Casper is beaten by his drunken brother, ignored by his mother and failing at school. He seems destined for a hard, miserable life down the pits, but for a brief time, he finds one pleasure in life: a wild kestrel that he has raised and tamed himself.

"Splendid new version" (The Times) of the well-known film and novel--a bestseller for over thirty years.

Life After Kes examines the history and legacy of the 1969 award-winning British film, Kes, about a boy's (Billy Casper) relationship with a kestrel. This fascinating book not only pays homage to the vision and extraordinary talent involved both in front and behind the camera but also looks at subsequent changes in the educational system, posing some important questions. Are we any better off today? Have schools and teaching staff moved forward over the last few decades? Have successive government's learnt anything from the mistakes of the past? Life After Kes explores the lives of the cast and production team since the making of the film including David (Dai) Bradley who played the lead role and examines why the legacy of Billy Casper and the national perception of Kes cast a shadow over South Yorkshire. Does Casper's ghost still haunt this ex-mining community and is director Ken Loach's gritty northern drama as relevant today as it was then? This book is a must-have for all film fans, anyone who enjoyed Kes and all those with an interest in British social history.

Nominated for a CATS Award for Best Play for Children & Young People. A new adaptation of the classic book A Kestrel for a Knave, Kes tells the story of a day in the life of Billy Casper: a 15-year-old boy about to leave school and determined not to end up working down the pit like his older brother Jud. Billy doesn't know what he'll do, but one thing has changed his life forever, allowing him to soar above the narrow confines of his family and this town, his kestrel hawk, Kes. Kes is the story of Billy's heart. How it came to beat and how it came to break. The play was commissioned by Catherine Wheels Theatre Company.

Seminar paper from the year 2004 in the subject English Language and Literature Studies - Other, grade: keine, University of Rostock, course: Kulturwissenschaft: Representation of class in British Films since the 1930s, 5 entries in the bibliography, language: English, abstract: In this paper I take a closer look at the movie Kes produced by Ken Loach. The movie is based on the book A Kestrel for a Knave which was written by Barry Hines. It is a pretty interesting story and by watching the movie the viewer automatically compares his own life and school experiences with Billys experiences. In the first part of this work I give a short introduction about the background and the situation in which the movie takes place. In the second part I take a closer look at Billys daily life, his future options and his relationship to his brother. [...]
