Roblox: a parents' guide. If you're the parent or carer of a school-age child, you've probably heard of Roblox. Launched in 2006, it's now one of the world's most popular video games, with more than 100 million monthly users, mostly between the ages of nine and 15. But while it offers a dizzying amount of interactive entertainment for its target audience, it has found itself in the news more than once due to fears over its safety.
