Brothers Willy Russell Book

The Blood Brothers is a book which shows the impact of life based on your gender, social status, class and mannerism. The book displays 4 socially 'approved' stereotypes in contrast to the Author's intentions of displaying the fact that to succeed in life you need to put the effort and work reasonably well. This book is primarily put into the perspective of two brothers separated at birth by money.

Willy Russell created a real gem here. BLOOD BROTHERS is a moving musical filled with all the tragedy and comedy of life, but without resorting to sentimental sap. The play exposed and illustrated to me the fatal flaws of the British economic caste system in a way far better than any other piece of literature ever has.
