I've made a discovery about what is buried under the swimming pools and basement conversions of wealthy west London. This booty is worth about £5m. More revealing, however, is another fact: this £5m was tossed away like small change tipped into a busker's hat. It is not Nazi art, or plutonium that has been used to kill the enemies of Russian oligarchs. It is a fleet of diggers. Beginning ...

series, The Traveling Trio, Quest Theater: Bones in the Basement is the first in a series of books for YA readers. In the story, Pearl Quest and her twin brothers, Oscar and Bernie, have no choice but to spend afternoons with their mysterious grandfather in the old theater where he lives. All they really want is to find out what happened to their grandmother and why no one ever talks about her disappearance. Oscar suspects she's buried in the basement of the theater but, as they discover, the theater holds more secrets than just bones.
