A fully illustrated primer on Italian culture goes beyond the parameters of travel and phrase books to inform readers on the nation's history, values and character, covering everything from regional identity and famous figures to Italian art and architecture. Original.

The Art of Public Speaking is a fantastic introduction to public speaking by the master of the art—Dale Carnegie. Featured within this classic manual are hundreds of tips and tricks on how to become an efficient and effective public speaker. One of the core ideas in his books is that it is possible to change other people's behavior by changing one's reaction to them. This is a fascinating work and is thoroughly recommended for everyone.

As the First World War bogged down across Europe resulting in the establishment of trench systems, artillery began to grow in military importance. Never before had the use of artillery been so vital, and to this day the ferocity, duration and widespread use of artillery

across the trenches of Europe has never been replicated. Featuring specially commissioned full-colour artwork, this groundbreaking study explains and illustrates the enormous advances in the use of artillery that took place between 1914 and 1918, the central part artillery played in World War I and how it was used throughout the war, with particular emphasis on the Western Front.

Blood Angels Chief Librarian Mephiston ventures to a war-torn shrine world to uncover the truth about the mysterious Blade Petrific. The shrine world of Divinatus Prime has become lost to the light of the Astronomican and no ship can piece its veil. Only the Lord of Death himself, Blood Angels Chief Librarian Mephiston, has any hope of discerning the fate of this once pious world. After enacting a powerful blood ritual, Mephiston and an honour guard of his fellow Blood Angels reach the stricken shrine world to find it seized by a religious civil war. Each faction fights for dominance of a potent artefact, the Blade Petrific, said to be wrought by the Emperor Himself. Yet there is more at work here than a mere ideological schism, for Mephiston believes Divinatus Prime could offer answers to how he became the Lord of Death by resisting the Black Rage, and possibly even a way to end the curse of 'the Flaw' in all Blood Angels.

Imperial Knight Titans clash as an internecine war ravages the Knights of Adrastapol. The Knight Houses of Adrastapol are both noble and righteous, and when the Imperial world of Donatos falls to the heresy of the Word Bearers, they are foremost in the vanguard to retake it. Led by High King Tolwyn Draconis, the Knights are peerless in battle and strike deep into the enemy's ranks. But the war soon turns when a terrible tragedy strikes, casting the Imperial campaign into anarchy. As desperation grows, unblooded Knights Errant Danial and Luk must quickly learn the ways of war to prevent an unholy ritual, or Donatos will be lost and all the noble Houses of Adrastapol with it.
