You can also set the display mode for a content control by using the Word 2013 object model (discussed later in New Word 2013 content control object model members). Bounding box The default rendering for content controls in Word 2013 is to preserve the look of content controls as they appear in Word 2007 and Word 2010; that is, as a bounding box.

Coercive control - Womens Aid

Losing your issues with control is different than "losing control" — although in the beginning it may easily feel that way. The fact is learning to lose your control issues can be done in a gradual and more or less controlled way, by making your fears of its loss more conscious and therefore more amenable to reflection, understanding, and constructive action.

How to Lose Your Control Issues
