The dramatic and spectacular story of an American music icon—the immortal Tina Turner! In her monumental bestseller I, Tina—the basis for the Academy Award-nominated motion picture What's Love Got to Do with It—she tells it like it really was . . . and really is. This book is a superstar's honest and intimate account of struggle and pain, love and abuse, glory and tragedy, and one of the greatest comebacks in music history.

My Love Story is an explosive and inspiring story of a woman who dared to break any barriers put in her way. Emphatically showcasing Tina ' s signature blend of strength, energy, heart, and soul, this is a gorgeously wrought memoir as enthralling and moving as any of her greatest hits.

The autobiography of Ike Turner, as told to Nigel Cawthorne

Dorothy Carvello knows all about the music biz. She was the first female A&R executive at Atlantic Records, and one of the few in the room at RCA and Columbia. But before that, she was secretary to Ahmet Ertegun, Atlantic's infamous president, who signed acts like Aretha Franklin and Led Zeppelin, negotiated distribution deals with Mick Jagger, and added Neil Young to Crosby, Stills & Nash. The stories she tells about the kingmakers of the music biz are outrageous, but it is her sinuous friendship with Ahmet that frames her narrative. He was notoriously abusive, sexually harassing Dorothy on a daily basis. Carvello reveals here how she flipped the script and showed Ertegun and every other man who tried to control her that a woman can be just as willing to do what it takes to get a hit. Never-before-heard stories about artists like Michael Jackson, Madonna, Steven Tyler, Bon Jovi, INXS, Marc Anthony, and many more make this book a must-read for anyone looking for the real stories on what it takes for a woman to make it in a male-dominated industry.

A NEW YORK TIMES Notable Book of the Year " In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. ' I ' m not going to hide behind you anymore, ' she says. ' Who are you anyway? You're not me. ' Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off. " —Anna Quindlen, The New York Times Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. " It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn. " —The New York Times Book Review NOTE: This edition does not include photographs.

The narrative of Tumult! The Incredible Life and Music of Tina Turner is an extended exploration of the magical transformation of shy country girl Anna Mae Bullock into the boisterous force of nature we know today as Tina Turner. This is creative alchemy in action: turning into Turner is actually also the captivating tale of someone who was already precociously there, a stellar talent just waiting to emerge and grab the global spotlight. Far from the early myths attached to her name by association with her talented but tormenting producer-husband, she was not a Svengali-like creation at all, but rather a fully formed, if vulnerable, young musical prodigy who was going to burst out of the creative shell imposed upon her one way or the other. Even though it took sixteen years to do so, her second career as a solo pop artist is the achievement for which she is rightly remembered. In Turner, we have a case study in triumph over adversity and sheer creative will power: singer, songwriter, dancer, actress, feminist icon. Often referred to as the Queen of Rock and Roll, she has sold over two hundred million records and sold more live concert tickets than any other solo performer in history. In 2019, she celebrated her eightieth birthday and was also lionized in the live Broadway version of her incredible life story, Tina: The Musical, starring Adrienne Warren. In Tumult!, we unearth and examine what uncanny skills enabled her to connect with so many people at such a deep heart-to-heart level. She is, in fact, a beating human heart in high heels.

" My Life Has a Price is a sad beautiful story. I asked everybody here to read it.– Nawal El-Saadawi, author of Woman at Point Zero (Zed Books, 1975) and God Dies by Nile (Zed Books, 1974) etc. " A testament to the best and worst of humanity. You can ' t help but read My Life Has a Price and pass it on " .– Sefi Atta, author of Everything Good Will Come (Swallow, 2010). "A chance at a better life should never be overlooked, but occasionally something foul lurks under opportunity...a read to be very much considered for international memoir collections". The Midwest Book Review, Library Bookwatch, Nov. 2012. One morning on the outskirts of Lagos, Nigeria, a lucky 13-year-old girl named Tina, from a modest family, is preparing to go to France to become part of Linda and Godwin Okpara's family. Linda is a homemaker and Godwin is a soccer player at the top French club Paris Saint-Germain, as well as for the Super Eagles, Nigeria's national squad. The couple have four children and Tina dreams of going with them to school and joining in their games, living the European dream. But, soon after her arrival, the reality becomes different. Written in collaboration with acclaimed French journalist, Cyril Guinet, Tina Okpara recounts how imprisonment, torture, and abuse - in a suburban house in the middle of gentrified Europe in the 21st century - could not break her. Tina's gripping story of survival and escape to rebuild her life is a moving testament to a remarkable woman, a true survivor.

" I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life — the true story of my life. " The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and, therefore, the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in your world, a change in the subjective world that is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to understand the truth, and you will begin this reconditioning, this retooling of your mind — of your thoughts and beliefs — on this subject of my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. — Jesus

Audrey Madison Turner was born in San Francisco. Due to her mother's bipolar disorder / psychosis and the loss of her father, a functioning alcoholic, she and her siblings were forced to rear themselves. A loving, but tumultuous childhood caused Audrey to lead a vicarious life, speaking words into existence as though they were her own, not realizing that one day they would be. Audrey was the 14th and last wife of the legendary originator of Rock & Roll, Hall of Famer "O.G." Ike Turner, who was plagued with similar emotional challenges to those of Audrey's parents. Love... Drugs... Betrayal... Prayer. Heart-wrenching and triumphant. Read her story.
