Our Guide to Buying: Road Bikes
What is a Road Bike? A road bike is any bike designed to be ridden exclusively on Tarmac roads. With subtle changes in material and geometry some road bikes are more suitable for racing, others for long distance or cycle touring. Road bikes are also often used by commuters who frequently cycle to work. In choosing a good road bike, it is important that you get it right, as you'll be cycling a lot.

for Beginners 2019

Budget. Budget is the biggest question and the biggest limiting factor when purchasing a road bike. The price range for a road bike is enormous, entry level recreational road bikes start at AU\$300 and extend to over AU\$10,000 for elite performance road bikes.

Buying a Road Bike: Everything to know

Using a rigid frame and fork, a road bike provides a tactile and responsive ride. Their light weight gives them rapid acceleration, so you can ride faster with less effort. Most road bikes under £1000 use an aluminium frame, while premium bikes use carbon fibre.
