Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. Karachi, You're Killing Me! is Bridget Jones's Diary meets The Diary of a Social Butterfly—a comedy of manners in a city with none.

Director, dancer, goodwill advocate for the United Nations: Aishwaryaa Rajinikanth Dhanush is so much more than the daughter of a legendary actor, or the wife of southern cinema's biggest star. Growing up in Bangalore and then Madras, in a household that resolutely kept out any hint of her father's superstardom, she was a quiet, introverted child whose greatest pleasure was a visit to Marina Beach and an occasional meal out. It was not cinema but law that became a preoccupation when she started thinking about college and career - but fate, and her mother, had other plans for her. Aishwaryaa writes with disarming honesty about life as Rajinikanth's daughter, of falling in love and raising two boys with Dhanush, of fighting her own demons and finding satisfaction in a career of her choice. She reflects on the many roles a woman has to juggle at

home and outside - in her case, under the watchful gaze of cameras and celebrity-watchers. Intensely personal, but also inspirational, Aishwaryaa's memoir is an unusually frank insight into growing up in cinema-land. A playful meditation on the joys and difficulties of being a woman in this age, *Standing on an Apple Box* is as much a celebration of individual fulfilment as it is of family.

If you are a Hindi-movie buff, *karva chauth* immediately brings to mind DDLJ, and Easter probably reminds you of Anthony Gonsalves. Take a trip down the memory lane with this beautifully conceived celebration of Indian cinema, which contains its century-long history in a fun capsule, and includes fascinating facts and milestones. *Once Upon a Time in India* will be your constant companion through the weeks of the coming year, with its attractive diary pages featuring iconic dialogues and fun trivia. Like the timelessness of Indian cinema, the fifty-three full-page original illustrations in Bollywood poster art style—depicting some of the most memorable scenes from your favourite films—make this a volume to treasure even when the year is over.

About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's *chhutki bauwa* (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. Quotes Anything But *Khamosh: The Shatrughan Sinha Biography*, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular Bihari Babu. "Do not attempt to change him. Of the 1.25 crore people of India, he stands out as unique" – Amitabh Bachchan, superstar, Hindi cinema "They used to call me the Shatrughan Sinha of the South" – Rajinikanth, superstar, Tamil Nadu "I became an actor because of Shatrughan Sinha" – Chiranjeevi, superstar & Congress-I leader, Andhra Pradesh "Ours is an Eklavya-Dronacharya story. He is my guru" – Ambareesh, superstar & Minister for Housing, Karnataka "A person who joined the Jan Sangh or the BJP when it was in the Opposition, had to be gutsy. Shatrughan is" – LK Advani, Senior Leader, BJP "I would give him *sanyam ki salaah* (advice on patience)" – Sushma Swaraj, Minister for External Affairs "I find there's no *chhaploosi* (sycophancy) in him. Our doors are open 24/7 to him" – Lalu Prasad Yadav, Leader, RJD "If the Bihari Babu is hurt, the whole of Bihar is hurt" – Nitish Kumar, Chief Minister, Bihar "If we had Shatrusaab on our side, we wouldn't need anybody else on our team" – Nawaz Sharif, Prime Minister, Pakistan About the Author Renowned columnist, critic and author Bharathi S Pradhan has written both fiction and non-fiction. *Mr Bidi* – the life story of an industrialist; *Heartfelt: The inspirational story*
