Mr. Small is a high-flying pilot in this adventure! Pilot Small prepares for his flight, and then enjoys the bird’s-eye view from above. As fresh today as when it was first published, this fun and informative look at flying is perfect for airplane trips.

The Little Airplane by Lois Lenski, Board Book | Barnes ...

I love that "little" airplane. The "F-150" is fun to fly, forgiving and at the same time, makes you work for a decent landing, especially in windy conditions. I was fortunate enough to fly them back in the '70s when general aviation manufacturers were cranking out the airframes.

The little airplane that could... and still does! | Air ...

The Little Airplane I've enjoyed the Mr. Small books in the past though this one was new-to-me. It was originally published in 1938 and I can just imagine how thrilled children of the day were since airplanes were still so new and exciting then. The illustrations are charming.
