Prospero and Ariel from a painting by William Hamilton The Tempest is one of William Shakespeare's last comedies. It tells the story of a wizard who drives a ship to the island he lives on, in order to undo something that happened to him in the past. Unlike most of Shakespeare's plays, it does not appear to be based off an earlier story.

The Tempest is a play by William Shakespeare, probably written in 1610-1611, and thought to be one of the last plays that Shakespeare wrote alone. After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and his two servants-Caliban, a savage monster figure, and Ariel, an airy spirit. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes, including magic, betrayal, revenge, and family. In Act IV, a wedding masque serves as a play-within-the play, and contributes spectacle, allegory, and elevated language.

Discover the Bard's dazzling play about magic, revenge, and forgiveness, reimagined by Shakespeare's Globe as a gorgeously illustrated picture book for children. I told him that if I were a mortal, I would forgive them. Ariel is a spirit of the air who can fly, ride on clouds, and glow bright as fire. When his master, the magician Prospero, is overthrown by his brother as the Duke of Milan, Ariel joins Prospero and his baby daughter on a journey that will bring them to a beautiful island ruled by the monstrous Caliban -- and to a series of events that lead to a vengeful storm, confounding spells, true romance, and a master who is persuaded to give his transgressors a second chance. Narrated from Ariel's perspective, the story is told in language that is true to the original play but accessible to all. With exquisite illustrations by acclaimed artist Jane Ray, this captivating retelling is a magical way to introduce children to one of the best-loved works of the world's greatest playwright.

A magic-induced tempest shipwrecks the king of Naples and his crew on an island inhabited by the usurped duke of Milan.
