Hockey legend Wayne Gretzky and numerous others are remembering Joey Moss, who was a vibrant presence for 36 years as an employee of the Edmonton Oilers.

An introduction to the life and career of hockey player Wayne Gretzky.

Wayne Gretzky, known to millions as The Great One, wasn't the biggest, fastest, or strongest hockey player ever, but he was without a doubt the best so far. Wayne's ability to read the game and consistently make the right moves, earning him records for scoring year after year. His life tells the story of how far hard work and smart thinking can take a kid from Brantford, Ontario.

This title introduces Wayne Gretzky who has had a great influence on his sport and in his society. Career highlights, battles along the way, and humanitarian contributions are discussed. Gretzky's legacy is told through informative sidebars, captivating photos, and engaging text. SportsZone is an imprint of ABD0 Publishing Company. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of ABD0 Publishing Company.

In this sports memoir, Wayne Gretzky weaves memories of his legendary career with an inside look at professional hockey and the heroes and stories that inspired him. From minor-hockey phenomenon to Hall of Fame sensation, Wayne Gretzky rewrote the record books, his accomplishments becoming the stuff of legend. Dubbed "The Great One," he is considered by many to be the greatest hockey player who ever lived. No one has seen more of the game than he has—but he has never discussed in depth just what it was he saw. For the first time, Gretzky discusses candidly what the game looks like to him and introduces us to the people who inspired and motivated him: mentors, teammates, rivals, the famous and the lesser known. Weaving together lives and moments from an extraordinary career, he reflects on the players who inflamed his imagination when he was a kid, the way he himself figured in the dreams of so many who came after; takes us onto the ice and into the dressing rooms to meet the friends who stood by him and the rivals who spurred him to greater heights; shows us some of the famous moments in hockey history through the eyes of someone who regularly made that history. Warm, direct, and revelatory, it is a book that gives us number 99, the man and the player, like never before.

A story of teamwork with a positive message, featuring Wayne Gretzky and Coach Wally (Wayne's dad, Walter Gretzky) Taylor is so excited when he makes the hockey team -- and not just any team, but HIS team. The boy they are already calling The Great One. Taylor wants to be great too, but he's still got a lot to learn. Lucky for him, Coach Wally is in his corner, guiding him through the ups and downs of being part of a hockey team, and being the best player he can be. As Coach Wally says, if you have a good time, work hard and do your best, "that is all that matters."

Wayne Gretzky is one of the finest athletes of all time. Both hero and superstar to fellow athletes and

Where To Download Who Is Wayne Gretzky Who Was

fans alike, this extraordinary hockey player embodies the qualities of true sportsmanship—on and off the ice. Gerald Redmond documents the life and career of this outstanding player, from his peewee league years in smalltown Ontario to his NHL stardom—and everything in between. From the thrill of being Stanley Cup Champion and the “Royal Wedding” between Gretzky and Janet Jones to the controversy surrounding his big trade from the Edmonton Oilers to the L.A. Kings and life in Los Angeles, this book follows the life of this remarkable athlete: Wayne Gretzky—the Great One.

Sports Illustrated followed The Great One's career right from the very beginning. Starting in 1978, when Gretzky was a young phenom playing for the Soo Greyhounds, they had their best writers cover his rise to fame and subsequent dominance of the sport. His staggering career stats tend to overshadow the struggles he faced in his career -- the early days in Edmonton, when he was establishing himself as the greatest player, but could not lead his team to a cup. The years after the trade that shook the hockey world he spent years trying to lead a new team to glory, only managing to reach the final once more, in 1993, and losing in five games. Covered as well are his forgotten goal-droughts, the thoughts that he had lost his touch in the early nineties. His struggles with injury and playing through his father's near death. The Great One reads not like a sports book, but a biography of one of the greatest athletes of all time. Sports Illustrated's greatest writers all contribute articles, EM Swift, Michael Farber, Jack Kalla, to tell the complete story of Wayne Gretzky's career.

Presents the life and record-setting career of the hockey player known as "the Great One."

The inspiring story of an ordinary man who, from humble beginnings and against the odds of a devastating illness, has led—is leading—an extraordinary life. To many people, Walter Gretzky is the ultimate dad, the father of the Great One, Wayne Gretzky, and the first inspired coach to a talented young boy. Walter's major insight into hockey—that a player should “go where the puck is going”—guided Wayne's brilliant style, and Wayne himself has said about his talent: “It's God-given. It's Wally-given.” It's safe to say that no other famous hockey player's father is held in such high esteem, and that Walter Gretzky has carved out this singular niche in his own right. Now, for the first time, Walter tells at length the story of his life, about growing up on a small family farm, about meeting and marrying Phyllis, about raising four boys and a girl in a modest home in Brantford on the salary of a telephone repairman, about hanging onto his modesty and values when the comet of talent and celebrity hit. Walter also talks about the process of recovering from a stroke that came close to killing him ten years ago. Through his own grit and determination, and with the help of dedicated therapists and doctors, his family and friends, Walter battled back from an aneurysm that left him with many cognitive difficulties and destroyed a decade of memories—including his recollection of the death of his mother and almost all of Wayne's NHL triumphs of the eighties. As many of the people who have encountered Walter even briefly will testify, he is very charismatic, and it's his extraordinary compassion, which has flourished since his stroke, that makes him so compelling. Yes, he struggles with some limitations, but he has also discovered a calling in helping others. All of his many public speaking engagements are for charity, and this book would not exist were it not for Walter's role as the official spokesperson for Canada's Heart and Stroke Foundation. The only way he would ever agree to talk about himself at such length was in the hope that his experience with stroke would be useful to other people. “Every second of every day is important to me,” he writes, “and I only hope that if telling my story can help even one person, then all of this will be worth it. And remember, there is life after stroke...look at me!”

This title compares classic star Wayne Gretzky and contemporary champion Sidney Crosby. From shooting and passing to creativity and leadership, chapters explore and compare each player's skills on the rink. The title also features end-of-chapter fact boxes for side-by-side player comparison, as well as a glossary. It will be up to the reader to decide who is the all-time hockey hero.
